NATIONAL LUTHERAN SCHOOLS WEEK

National Lutheran Schools week is January 27-31. More information will be coming soon about this event and what special themes we will do each day.

INCLEMENT WEATHER

If inclement weather is anticipated, please consult the local news for updates regarding any closures for the 'Kings Local School District.' While our school's mailing address is Mason, we are part of the Kings School District, and any closures will align with their decisions. In the event that Kings implements a 2-hour delay, we will maintain our regular schedule, leaving it to our parents to decide whether they wish to bring their children to school. If you have any uncertainties, please reach out to your teacher through the Procure app for information about KOK's weather-related closures.
